On behalf of DSP Architects Mumbai, I extend our heartfelt congratulations to Mr. Mahesh Chavan, founder of Associated Consulting Engineers, on 25 successful years in structural engineering.

For years, your team has consistently delivered safe, durable, and efficient design solutions. Your expertise in overcoming complex challenges while maintaining structural integrity allows us to push design boundaries.

We especially appreciate your commitment to your role as an “architect’s engineer,” enhancing both the technical and aesthetic aspects of our projects. Additionally, the collaborative spirit and clear communication within your team have played a significant role in the smooth workflow and timely completion of projects.

Your team's collaborative spirit and clear communication ensure smooth workflows and timely project completion. It's been a pleasure working with you, and we look forward to continued success. Congratulations once again on this remarkable milestone!
